Alabama referees take USYSA Region III Championships by storm!

We are so proud to announce that seven of our officials occupied the podium as either Top Referees or Top Assistant Referees. Although this is an honor, every referee who attended presented themselves professionally and performed at the top level through a brutally hot weekend marred by multiple location assignments! No one complained or whined, just went out there and did work! Pat Miller, our Head of Delegation, received numerous compliments on the great work performed! Congratulations on a job well done by ALL!
